

BANK TRANSFER INSTRUCTIONS

The bank-to-bank transfer (also known as a wire transfer) is the preferred payment option for those who do not wish to use a credit card or do not have access to cheques.

Listed below is the information required to process a bank-to-bank transfer to Briercrest College and Seminary. Simply take this information to your own bank and request a transfer of funds to the Briercrest account listed below.

Please notify us either prior to or immediately after the transaction so that we can direct the deposit to your student account. Contact either the Briercrest Admissions or Finance departments with the date, dollar amount, and the student's name to whom the deposit should be credited.

Please note: Briercrest uses a Canadian account and your bank must convert the amount transferred into Canadian dollars in order for us to receive it. There is normally a \$10-\$15 CDN service charge to process a transfer.
